

## Welcome Party Alliance Pairings Passport

*The Ambassadors of Fun would like to thank the University of Toronto's Engineering Department for celebrating with us tonight!*

Follow the instructions below and your Alliance Pair could win prizes supplied by Lego Canada!

### Instructions:

1. Find your Alliance Pair Partner Team and visit a *minimum* of the 10 stations (listed below) together
2. Have both Team Passports stamped by the volunteers at each station visited
3. Once both of your teams have 10 of the same stamps, select a team member to sign the bottom of the page as well as your Alliance Partner's page
4. Hand in *both* of your signed passports at the Lego Salt and Pepper Shakers draw table (a sign will be posted so you know where to go)

*Note: You must have 10 of the same stations stamped on the two passports, and both Passports must be signed in order to qualify as a draw entry. Any teams not following these criteria will not be entered in the draw.*
